Dear Parents and friends of our School Hello/Kia Ora/Hola From the Sports Desk

Toko School Tryathlon: Next Thursday the 23rd of March we will be having our annual school tryathlon. This year we have made some alterations to the course, utilising Wawiri road for the cycle leg. As a result of this we have also made changes to the run leg. **The event will now be viewed, by parents, from the bank on the far end of the field parallel to Wawiri Road.** The event starts at the Wawiri Road, all children will assemble on the bottom field and finishes at the cricket pitch. Please make sure that your bike or scooter is fully prepared for this event, checking that it is well serviced and that the brakes are in good working order. Bikes will need to be dropped at school on the bottom field, Ahuroa Road Entrance, on Thursday morning. Gates will be open to assist you with this. All bikes need to be collected after school because we do not have the hall to store bikes. If this is a problem please contact your child's classroom teacher. Children will need closed in shoes, a good working helmet and their swimming gear for this event.

For children new to our school we have a very small course set up for our 5 year olds. It's all about having a go. They can bring a bike or a scooter. If you have any further questions please talk to Mrs Bright.

If your child does not have a bike to bring to school please contact your child's classroom teacher asap so we can make alternative arrangements. The event order is as follows: Year 7 - 8, Year 5 - 6, Year 0 - 2, Year 3 - 4. We run our event in the following order: Cycle, run, swim, run to the finish line.

The Tryathlon kicks off at 1.00pm sharp. In case of bad weather there is a postponement day set for Friday the 24th.

WATER BOTTLE FUNDRAISER

Attached to this newsletter is a tupperware water bottle fundraiser.

We are going to be encouraging all our staff and children to bring water bottles to school.

Drinking water and keeping hydrated is really important for our brains and as a result impacts positively on our learning and attention to learn.
