

Eastern District Netball 2026

Intermediate Netball Year 7-8

The 2026 Netball season is coming up soon.

Year 7 and 8 netball is held at the Stratford Netball courts on Saturdays.

The season starts on **6th June and ends on 22nd August**. There is a change to this competition and it will run for a shortened season of 10 weeks. Each team will need a coach and parents to be scorers.

A part of being in a Year 7 and 8 team is that you attend practices. These are held on Thursday between 3 and 4.30pm at Toko School.

If you would like your child involved in ED netball this year, register your interest by completing the Google form. [Click here](#) or it will be in the Toko School newsletter and sent to the other Eastern District schools.

This must be done by **Friday 27th February**.

Another link will be sent in due course to register with Netball Taranaki and confirm your commitment to the 2026 season.

The **AGM** of the Eastern Districts Netball Club will be held on **Thursday 5th March at 6.30pm, at Toko School**. This will be followed by a short informative meeting about the upcoming season. Could all parents, coaches and interested parties please come along. **We require at least one person from each school to be at this meeting and to be a part of the committee.**
